... accordance with the provisions of the State Comptroller's Act, the Board of Regents is required to review and approve the proposed project before it is implemented. The project is estimated to cost \$12,222,000 and is expected to be completed by the end of the fiscal year. The project is a high priority for the State and is expected to result in significant cost savings and improved efficiency. The Board of Regents is requested to approve the proposed project and to authorize the State Comptroller to execute the necessary contracts and agreements.
