Table Refresh Schedule Query

To find the date/time a table was

7. Login to QMenu at the folk
8. Make the following selection

Categories: REPORTS...
 Stored Queries: Refresh Sc

9. On the bottom portion of the screen, the Get Query will appear. Select the Get Query
10. The Refresh Schedule... Page

need to enter Student in the Application field. To view tables such as GOREMAL or GXVDIRD, you would need to enter General in the Application field.

Exiting QMenu

13. To exit QMenu and leave your browser open, select the Reconnect button or select your browser's reload/refresh button. You can also close the tabs in your browser (the QMenu site doesn't have a "logout" button or link).

If you are using a shared computer, be sure to close all of the browser windows/tabs, and clear the browser's history (cache).
