Dear Member of the UAC

The United States of America has a long history of supporting the rights of people with disabilities. We are pleased to announce that the United States Department of Education's Office for Civil Rights (OCR) has received a request from the U.S. Department of Justice (DOJ) to investigate the U.S. Department of Education's (DOE) compliance with the Americans with Disabilities Act (ADA) and the Rehabilitation Act of 1973 (Rehabilitation Act) in the area of accessibility. OCR will be conducting an investigation into the matter.
