Re: Prerequisite Requirements for Education Programs

Background: On September 12, 2019, you pointed me to a report of the Faculty and Student Affairs Committee that recommended the admission to the three Alaska College of Education Master's Education Programs (K-5 Certificate, K-8 Certificate, and M.Ed. in Mathematics Education) was suspended. Students enrolled in the three programs were notified of the admission suspension. Students are required to complete the program requirements.

The Mathematics Education Program was approved in 2015 as an endorsement program. The K-8 Certificate program was approved in 2015 as a certificate program in the spring of 2015.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.

The K-5 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska. The K-8 certificate program was approved in 2015 as an endorsement program in mathematics education in the State of Alaska.
