Some are already being taught by other programs, e.g., as a minor requirement. Some early other program needs like equipment may be met by other programs.

# Distribution of Enrollment in Low Enrollment Master's Programs in the College of Engineering and Arctic Studies

Following low enrollment master's degree programs:

- Arctic Engineering
- Engineering and Technology
- Science and Technology

Specialized degree programs are requested to allow them to complete their degree.

Delayed in time to finish. Factors related to the lack of of faculty or student interest.

Factors related to the lack of of faculty or student interest.
