

# Expense a Travel Advance

Since cash advances are available for other, non-travel purposes, the term “travel advance” is used when referring to UA travel policies and procedures. Alternatively, the proper noun “Cash Advance” is used when referring to Concur processes.

An issued Cash Advance is only cleared in Concur by including it on a Report upon trip completion or cancellation. Travel advances are paid from a Systems Office general ledger. They are not cleared from the general ledger until the Cash Advance is cleared in Concur. Travel advances are not cleared by only acting in Banner.

**Note:** Contact the Cash Advance Admin directly if the issued travel advance check is no longer needed and was not deposited/cashed.
